Hay's Hair Health

RESTORES
GRAY HAIR
to its
Youthful Color

"At the time I began using Hay's Hair-
Health and Hairina Soap my hair had been
falling out and I had several bald places on the
front and sides of my head. They are now fully
covered with silken hair and I am only using the
second bottle. My hair looked faded in places,
but it is now all of the natural dark brown color."
—Mrs. Iva Solomon, Palo Alto, Cook Co., Ill.

Restored Gray Hair to Auburn
I had been troubled with dandruff for a long
time, and thought I would give Hay's Hair-
Health a trial. After using one bottle I found
not only the dandruff gone, but my hair which
was thinning gray (I am 48 years old) restored to
its natural auburn color. It works wonders.
